Epson and competitor information based on manufacturer's specifications and pricing as of October 2016.

¹ In its class, as compared to other portable consumer document scanners with an ADF, using the AC adapter and power cable, priced under \$300 MSRP USD (sold into the United States and Canada as of June 2016).
² USB power requires USB 3.0 connection port on your computer. ³ Based on letter-sized scans at 300 dpi in Black-and-White, Grayscale or Color Mode, using the AC adapter and power cable. ⁴ Daily duty cycle is the highest recommended number of scanned sheets per day. For best results, run at or below the recommended usage. Calculations based on a scanning speed of 25 ppm and an assumed daily use time.
