Epson and competitor information based on manufacturer's specifications and pricing as of November 2016.

<sup>1</sup> Based on letter-sized scans at 300 dpi in Black-and-White, Grayscale or Color Mode. <sup>2</sup> Daily duty cycle is the highest recommended number of scanned sheets per day. For best results, run at or below the recommended usage. Calculations based on a scanning speed of 35 ppm and an assumed daily use time. <sup>3</sup> Maximum scan size for Mac® is 8.5" x 14"; maximum scan size for Windows® is 8.5" x 240".
